NOTES PRIOR TO HANDLING

Before using your McGean-Rohco, Inc. products, all safety and operating instructions should be read and understood. If you have any questions, please contact your McGean-Rohco representative before proceeding.

USE PROCEDURES

1. Dilute 1 part cleaner with 14 parts water for removing light soils. For moderate soils, dilute 1 part cleaner with 9 parts water. For heavy soils, dilute 1 part cleaner in 4 parts water.
2. Apply with mop, brush or non-atomizing spray equipment and allow to dwell until soil is penetrated. Rinse thoroughly with running water.

PROPERTIES

- Yellowish clear liquid with mild odor.
- No flash point.

PRECAUTIONS

- Avoid eye and skin contact. Use rubber gloves and face shield or goggles. Do not use in confined areas. Use with adequate ventilation.
- Do not take internally For contact, flood with water. If eye irritation persists, seek medical attention.
