NOTES PRIOR TO HANDLING

Before using you McGean-Rohco, Inc. products, all safety and operating instructions should be read and understood. If you have any questions, please contact your McGean-Rohco representative before proceeding.

USE PROCEDURES

Cleaning Walls, Seats and Windows

1. Mix 1 part cleaner with 10 parts water. Spray on or apply with a mop or clean cloth wet with cleaning solution.
2. Wipe surface clean with clean, dry cloths.

Controlling Odors From Food Spills and to Prevent Corrosion Caused by Food Residues.

1. Mix 1 part cleaner with 10 parts water. Wipe up the food spill then apply cleaning solution by spray, or with cloths or mops wet with cleaning solution.
2. Allow cleaning solution to dwell for a few minutes before wiping surface clean with clean, dry cloths. Do not rinse with water.

PROPERTIES

- A thin, blue liquid with a pleasant odor.

PRECAUTIONS

- Avoid eye contact and prolonged skin contact. Can cause irritation. For contact with eyes, flood with water. If irritation persists, seek medical attention.
- Do not take internally.
